Thanks. Nancy and I will put it to Tomas, but the 15th is much better for me.

Well, it looks like our best choices may be Monday as in our next working day or December 15 (I'm out December 14). Since Jared is fairly familiar with Rosemont, Monday could be doable if you and Carter feel like you could lead a briefing on that short notice and Water Div concurs. Otherwise, putting something on his calendar for the 15<sup>th</sup> is the way to go.

We need to talk to Jared. He has a couple of other meetings that need to be scheduled that day (which might require rescheduling Kathleen's update – Sorry).

If your meeting has to happen next week, he has time Monday (12/7) after lunch. If not, he has time Mon-Wed the following week.

**Subject:** Request for RA update on Rosemont Mine

Hi Abi – I was just speaking with Kathleen about getting in to see Jared for a quick update prior to some movement in DC we expect in the next couple of weeks. She suggested we try for 12/11 with Jared, and that if a stand-alone time isn't available that we might use her update slot. Can we make either of those work?

Thanks - Jason
